For new Members joining after the first of the year, dues will be pro rated monthly. A chart of our pro-rated dues is available on this page: <https://www.artseminargroup.org/join>

Please note that we support our local museums, and ask members to maintain memberships at the BMA, RLM, or WAM (two museum memberships are suggested).

- If you are interested in membership for yourself: Please complete the Membership Application Form. If you would like to propose a friend for membership: Please complete the Membership Application Form for your friend.
- It is helpful to have a little information about our new members so that we can better welcome them. In addition, it's wonderful to know where they have experience or expertise that can help in program planning. To this end, please tell us something about yourself and your interests (if you're seeking membership) or about your friend and their interests (if you're proposing a member).
- We are happy to help you work through this process in a timely manner. For further information or assistance, please contact:

Marlene Wolfe or Susan Weiss Membership Committee Co-Chairs at membership@artseminargroup.org or

Lisa Dillin, Administrative Manager at office@artseminargroup.org

If you prefer to send a letter by mail, please send to:

Art Seminar Group
P.O. Box 431
Stevenson, MD 21153

If you are proposing a member, once the membership is finalized we hope you will help welcome them to the group by accompanying them to a program and introducing them to other ASG members. Inviting other members to get together for lunch before a lecture is a fun, convivial way to make your new member feel special and part of the Art Seminar Group.
